| <b>Key Issues / Themes / Messages</b>             | <ol style="list-style-type: none"> <li>1. The meeting was due to review the 2<sup>nd</sup> round of iBCF funding application.<br/>It was decided that some applications were more suitable for CCG funding and have been sent to CCG to be included in their funding cycle.<br/><br/>Not all applications had explicitly included alignment to Leeds Plan Project Boards. It was agreed to refer the applications to the relevant SROs of the Leeds Plan workstreams who will be asked to prioritise.<br/><br/>The applications will then be looked at again by the meeting in January.</li> <li>2. Overview of the new Committees in Common: Leeds Providers Integrated Care Collaborative.<br/><br/>The committee is made up of chairs and CEOs of LYPFT, LCH, LTHT and GP Confed. LCC and 3<sup>rd</sup> sector (Forum Central) also have a seat on the committee.<br/><br/>The aim of the committee is to: <ul style="list-style-type: none"> <li>- Better integrate service delivery</li> <li>- Improve the quality of care</li> <li>- Improve patient outcomes/reduce inequalities</li> <li>- Make the best use of resources</li> </ul> Forum Central are about to advertise to recruit a 3<sup>rd</sup> sector rep for the committee.</li> <li>3. Plan to refresh Leeds Plan – recoment to PEG to align with JSA and NHS 10 year forward plan. Need to think about what we want health and care to look like in Leeds over the next 10 years.</li> </ol> |
