

Mental Health Strategy T&F group, 22 January 2019

Meeting Details	<p>Name of Meeting mental health Strategy T& F group</p> <p>Date of Meeting 22/1/19</p> <p>Representative Philip Bramson</p>
Key Issues / Themes / Messages	<ol style="list-style-type: none"> 1. Meeting not sure what scope of strategy is and it is due to be presented on 5th Feb to MH Partnership Board 2. Agreed to Go with options- ask Board to do some mapping of current provision and get clarity on what scope of the strategy should be; how ambitious ? (Sarah Erskine, Jen Thornton & Sinead Cregan to meet with Chair on 4th hopefully to agree way forward) 3. Strategy in draft v. clear about the social determinants of MH 4. Discussion about the different language used to talk about MH. E.g. Trust talk about MH conditions 5. Discussed that People with Autism not clearly identified as having discrete need 100000 out of 800000 are 16-24 yrs old. 50% of these students? Student bulge. How much should the strategy go into the detail of the needs of different groups within the population? 6. Part of a wider decision that needs to be made about scope-
