| Meeting Details | Name of Meeting: Self-Management Steering Group Date of Meeting: 27 February 2019 Third Sector Representative: Val Hewison |
| Key Issues / Themes / Messages | <p>1. Discussions around NHS Long Term Plan.</p> <p>Three Transformation areas:</p> <ul style="list-style-type: none">• Personalized care• Population Health management• Primary Care Network <p>2. Personal Health Budgets</p> <p>Leeds is working towards offering all continuing healthcare patients a personal health budget by the end of March 2019. Also, personal wheelchair budgets are being offered to all new referrals. My question was who knows about this?</p> <p>3. Shared Decision Making (SDM)</p> <p>Reps from PH and LCC have attended a training programme on shared decision making. Consideration of how this fits into the Leeds landscape and influence other programmes e.g. Better Conversations.</p> <p>The SDM is very important in the foundations of personalized care and will be a big Leeds focus.</p> <p>Discussions around Better Conversations and the success of the many skills days taking place across the city. So much going on around the city the discussion was how does all this join together?</p> |
